

Parent Resources for Learning and Teaching Digital Citizenship

NetSmartz Workshop is an interactive, educational program of the National Center for Missing & Exploited Children® that provides age-appropriate resources to help teach children how to be safer on- and offline. The program is designed for children ages 5-17, parents and guardians, educators, and law enforcement. With resources such as videos, games, activity cards, and presentations, NetSmartz entertains while it educates.

Common Sense is the leading independent nonprofit organization dedicated to helping kids thrive in a world of media and technology. We empower parents, teachers, and policymakers by providing unbiased information, trusted advice, and innovative tools to help them harness the power of media and technology as a positive force in all kids' lives.

StaySafeOnline.org's mission is to educate and empower our global digital society to use the Internet safely and securely. The underlying value is to secure our online lives as a shared responsibility.

PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.
