FEBRUARY/MARCH 2022

Dear Parents/Guardians,

It is hard to believe we are already into the second semester. The first half of the year has flown by and I suspect the second half will go by equally as fast. Without question, this has been a challenging time for our students; however, their resolve has been impressive and inspiring. To me, this speaks volumes to the strong values you, as parents, have instilled in your children. Thank you!!

As we begin this new semester, I would like to encourage you to continue your involvement in your child's education. We are hoping for your support in helping our students with work completion and meeting learning expectations. A new semester for some means continuing to work hard to keep up with classroom expectations; for others, it is a chance for a new beginning. Whatever the case, the beginning of the semester is very important. Many subject areas build a foundation of knowledge early on in the semester and the rest of the semester builds from there. When students get help early on they ensure that they have the proper foundation to understand future material. When students begin to feel overwhelmed or they find they do not understand the material presented, it is critical they find time to meet with their teachers immediately to ensure they gain the knowledge base needed to move forward in learning the curriculum. Our Flex Mod system accommodates this wonderfully. In most cases, students and teachers can meet within the normal school day. Please help encourage your child to seek out the resources they need to be successful. Asking questions in class, meeting with teachers during their open labs (virtually or in person), emailing teachers with questions, and reaching out to their school counselors are just a few of the many ways for students to find the help they need to be successful.

The following items are things to look for in the near future. We will communicate more information as it becomes available:

- **ACT Testing** - This is for all 11th grade students and it is scheduled for Tuesday, March 8, 2022.
- **Forward Testing** - This is for all 10th grade students. Date TBD.
- **ACT Aspire** - This is for 9th and 10th grade students and it is scheduled for Wednesday, April 20, 2022.
- **West Referendum Proposed Upgrades** - More information will be coming in the form of district mailers, advertisements, and open meetings.
- **West Graduation** – Date TBD – we have discovered a schedule conflict and are in the process of finding a new date. We will communicate the new date very soon.

Stay warm and thank you for your continued support of Wausau West!!

On Tuesday, April 5, 2022, residents of the Wausau School District will vote on a referendum question.

If approved by voters, the \$119,800,000 million referendum would lower the tax levy, while at the same time allow the district to address its most pressing facility needs. The district would move forward with safety & security improvements at all elementary schools, as well as, adding additional classroom space at Stettin, South Mountain, and Riverview elementary schools to address increasing enrollment and alleviate capacity concerns. The district is also moving forward with all work at its middle and high schools; addressing deferred maintenance and safety and security needs there. It will also make facility improvements at the Wausau School Forest, including a new Environmental Learning Center.

An approved referendum would have an estimated property tax impact of negative \$0.43 on every \$1,000 of property value in the school district. The owner of a home valued at \$150,000 would see an annual tax reduction of about \$64.50.

The solution the Board of Education is presenting on April 5 was created based on the input and feedback of our community. This effort included online surveys for community and staff members, three community engagement sessions, staff listening sessions at all schools, and engagement on social media. We have also communicated and gathered feedback through a facility needs webpage and via the local media.

We invite you to learn more about our district's needs, how the board developed the proposed solution, and the question that will appear on the April 5 ballot at [wausauschools.org](https://www.wausauschools.org).

## NEWS FROM THE ATHLETIC OFFICE

### WINTER WARRIORS!

AD Miller here! Our winter sports are in full swing with the tournament series coming just around the corner. It has been good to have our facilities full again with Warrior spectators. So many of our community members were unable to watch our winter sports last year due to restrictions on allowed spectators.

Curling, Cheer, E-Sports, Alpine Ski, Wrestling, Girls Basketball, Boys Basketball, Girls Hockey, and Boys Hockey are having success as we roll through the schedule. You can keep track of our teams by checking the WVC Statistics site at <http://www.valleystats.org/>.

A couple of highlights are the conference-leading Girls Basketball team (6-0 conference and 12-3 overall). The Wrestling team is currently ranked 9<sup>th</sup> in the state and captured the 25 teams Fond Du Lac Invitational in December. The Cheer team placed as Grand Champions at the January's competition at UWSP. E-Sports will be competing in the E-sports state championship later this winter. Boys Hockey is undefeated in the conference and first place. Boys Basketball culminated in a multi-year fundraising project and went to Florida over the holiday break going 2-1 in a tournament in Orlando. The Storm is currently sitting at 13-3 and playing well.

Our competitive clubs are in virtual action. A highlight this month was the DECA district competition. Wausau West was the top school taking home the most awards with 27 students receiving 1st thru 3rd place, advancing them to State DECA.

There is a full tournament slate scheduled by the WIAA so look forward to watching our Warriors make a run through the winter tournament series. The tournament date can be found on the WIAA website at [www.wiaawi.org](http://www.wiaawi.org).

Co-Curricular activities give our students an avenue to great personal growth. Every practice is a chance to fail then improve, to learn then succeed. It is a wonderful incubating environment for learning unity, confidence, value, and purpose. If you have a chance, come out and watch our teams. Schedules can be found at: <https://wisconsinvalleyconference.org/public/genie/63/school/6/>

Be safe and remember, we are proud of all our Warriors.

## 2022 Spring Play

When the aging king of a Magical Kingdom far, far, away (OK, it's England) decides to split his empire between his three scheming daughters, Cinderella, Belle, and the Snow Queen (who in no way resembles a copyrighted character from a recent Disney movie),

hilarious tragedy ensues. It's a little bit Shakespeare's King Lear, a little bit of Game of Thrones, a little bit of Disney and a whole lot of Don Zolidis' hilarious writing. As the Princesses draw up sides for war, will Prince Charming, the loyal Smeagol, or the ever-present Blood Packet Guy be able to save the day? Game of Tiaras will leave you dying with laughter as the body count mounts.
